PLEASE USE ONE FORM PER CHILD

The AMC Museum's educational summer camp is for children interested in aeronautics and the U.S. Air Force. They will learn the history and science of flight, go on a digital scavenger hunt, learn to fly in a simulator, and preflight an actual aircraft.

Half-day classes are from 8:30 to 11:30 a.m. for ages 9 to 11 and 12:30 to 3:30 p.m. for ages 12 to 15. Dover AFB Aero Club flights will be on Thursdays, weather permitting (Friday if due to bad weather).

Cost is \$150 for a week of half-day classes including flight and t-shirt. Enrollment is on a first-come, first-served basis. Classes will be cancelled if a minimum number of students have not registered. A full refund will be given if class is cancelled and the student cannot attend another. A refund will be given if flights must be cancelled for weather or other events beyond the AMC Museum's control. If you must cancel you must provide a 72 hour's notice for a refund.
