4th Annual Summer Fundraiser

The Air Mobility Command Museum Foundation (AMCMF) is pleased to present our 4th Annual Summer Fundraiser to support the mission of the AMC Museum. The museum is an aviation and aerospace facility, providing education, scientific, cultural, historical, and inspirational exhibits for the general public and the Air Force community. We are restoring, preserving and exhibiting nearly three dozen aircraft in our airpark and hanger, along with many exhibits. We also house a theater, museum store, artifact vault and canteen. The museum was enjoyed by over 139,800 visitors in 2019. Fewer in 2020 due to COVID-19 restrictions.

We invite you to be a Summer Fundraiser sponsor for the minimum donation of \$100. As a sponsor, your donation will be used in support of our continuing objective of being a world-class educational and historical facility dedicated to military airlift and aerial refueling. In the past, donors have been even more generous in supporting the museum's rich aviation history. In recognition for your sponsorship, we will post your name or company name and/or logo on the AMC Museum website. Your name or business with logo will be recognized in our quarterly newsletter, The Hangar Digest. We're also planning to highlight the same in the Dover Post and Delaware State News. We want to provide you with top quality recognition for your generous contribution, along with a certificate of appreciation to display in your business or home.

The AMCMF is a 501(c)3 Non-Profit Organization, EIN 51-0355891, so your donation is tax-deductible within IRS Regulations. A donation receipt letter will be provided.

Please review the attached museum project update. I thank you in advance for your consideration and anticipated support.
